GO TOGETHER. GROW TOGETHER.

Katoomba Easter Convention is an annual conference for all ages and stages.

Get away over the Easter long weekend with the entire family and be immersed in God's Word whilst relaxing in the beautiful Blue Mountains. Connect with friends and family, and grow in your walk with Jesus together.

We came not knowing exactly what to expect and have all been amazed by the open friendliness and organisation.

Both kids have raved about the leaders and their program. One introvert, one extrovert, both eager to go and learn more about Jesus. Fabulous!" - *KEC delegate*
